(Contact LTRA directly)

Presented by:

Karen Jarvie

EC Level 1 coach, Western/hunter/jumper/dressage,
Recognized Clinician/ Educator 2 for
Cowboy Dressage World,
and all things horses

The Learning and Goals

- Communication between horse and rider
- Transitions through lengthening and shortening stride and frame
- Lateral and vertical suppleness creating strength and balance
- Relaxation and patience

Cowboy Dressage is a combination of the best of both worlds: Traditional Western and Classical Horsemanship. Cowboy Dressage is defined as training and developing the Western rider and horse to improve themselves as individuals and as partners through the use and discipline of dressage.
